

Pinpoint the Right Talent In a Heartbeat

With the World's First Skills Engine.

Faster, Simpler, Smarter

SkyHive's skills matching technology translates your hiring needs into precise skills and delivers better matches in real time.

You Name It, We've Got It

Centralized and diversified. Find top candidates for all job types at SkyHive's one-stop shop.

Reach More with Less

No more expensive agencies or old-fashioned job boards. Reach both active and passive candidates at a fraction of the cost.

How It Works

Create Job Offer

Enter the role you are looking for, and SkyHive will generate a comprehensive set of skills. You can add, delete, or adjust proficiency levels.

Shortlist Top Matches

Using the skills combination, SkyHive will identify top candidate matches, enabling you shortlist the right talent in minutes.

Hire the Best

SkyHive compresses candidate sourcing, so you can spend your valuable time on what's really important - choosing the right cultural fit.

Transform Candidate Sourcing with Revolutionary Skills Matching Technology
Built for Every HR Manager, Employer, and Recruiter.

Why SkyHive?

Job Seekers

Expand your career options exponentially by identifying the skills you possess.

Say goodbye to resumes. Your skills profile will be the only CV you will ever need.

Skills-based hiring leaves no room for subjectivity. Land any job as long as you have the right skills.

Employers

Condense lengthy candidate sourcing into one quick step - Turning hiring needs into skills.

Save time, money, and other resources wasted on candidate sourcing.

Easily locate the best fit for "hard-to-fill" positions requiring unique skill combinations.

Custom Enterprise Solutions

Obtain a database of the complete skills inventory of your staff.

Pinpoint and promote qualified candidates from within.

Spot skills gaps and foresee training needed to upskill your workers.

Contact SkyHive to learn more about enterprise solutions.
